## EVENT ORGANISER: APD CIOCCO SPORT LAB

The Associazione Polisportiva Dilettantistica Il Ciocco Sport Lab (Il Ciocco Sport Lab Amateur Sport Association), part of IL CIOCCO SPA, organizes the MASTERS MOUNTAIN BIKE MARATHON WORLD CHAMPIONSHIPS in the territory of the Province of Lucca on 22, 23, 24 and 25 September 2021, celebrating the 30th anniversary of the Masters World Championships held at Il Ciocco in 1991.

## 2021 MASTERS MOUNTAIN BIKE MARATHON WORLD CHAMPIONSHIPS

The Masters Marathon World Championships will take place for the first time ever in the world. The new specialty, championed by the Union Cycliste Internationale – UCI –, hosts amateurs professionals.

Il Ciocco will be the headquarters of the event that will develop throughout the vast area of the Media Valle della Garfagnana, on a very technical ring route of about 62 kilometres and 3,100 metres in altitude, with departure and arrival at Il Ciocco and crossing of the most characteristic villages in the municipalities of Barga and Fosciandora.

From the information received by the UCI, over 700 members are expected to be present who, together with accompanying staff, mechanics and team managers, can count on a satellite network of about 2000/2500 people over 5 days, from Wednesday 22 to Sunday 26 September 2021.
